

Directions to McNamara Park Racing Circuit Mount Gambier

The track is situated approximately 10km to the south west of the City of Mount Gambier in the South East of South Australia. Mount Gambier is approximately 441km from Adelaide and about 425km from Melbourne. If you are travelling on the Princess Highway you need to turn South at the Suttontown Rd roundabout, which takes you straight onto White Avenue then follow this road straight out of town, past the West Gambier Football grounds on your right and then the City Cemetery on your left. 10km from the city limits on the Carpenter Rocks road, you turn right onto McNamara Park Rd., then turn right again about 1.5km down onto Mitchell Rd. The entrance to the circuit is then less than a ½ km down on the left hand side. Visit www.macpark.org for more information about us or email secretary@macpark.org
